~CHAPLAIN'S CORNER~

Almighty and Merciful God, as we approach the July 4th Day Celebrations in the month of July, help us to be ever mindful of the reason and the purpose for that day. Dear God, we are so thankful for your protection and your guidance during the times of conflict to the many who have stepped forward to give protection from those whose goal in life is to destroy the freedoms established by our forefathers and fore mothers in this great nation. Likewise, our hearts are heavy as we mourn the loss of hundreds of thousand heroes who were not permitted to return home giving their lives in the wars for freedom. At this time, we are ever mindful of the thousands wearing the Military Uniforms of the United States of America battling terrorism, and those preparing to battle terrorism, in Iraq, Afghanistan, in other places around the world, including here within the boundaries of our beloved nation.

Joe Sopher, Chaplain
