## ~QUARTERMASTER COMMENTS~

If you haven't paid your dues for the New Year, please do so – your 2011 Key will not work to enter the Post. Our Membership is very strong; however, without you we need All The Support Possible. If you have a friend, bring them out and maybe they would join. New Members are always welcomed.

Looking to February – Thursday the 2<sup>nd</sup> is Groundhog Day and how can we forget the 14<sup>th</sup> VALENTINE'S DAY!!!

## ~CHAPLAIN'S CORNER~

Another year is gone but a new year is with us – What are you going to do about it? We have celebrated the most well known holiday of the year, Christmas. Over 2000 years ago a baby was born in a stable and laid in a manger that changed the whole direction humanity would go. So where do we go from here? – Let us pray.

“Most merciful God, we of this veteran’s organization seek guidance and direction for our very existence. We pray that the past year was within your will. Now we are thankful that armed conflict in various parts of the world is slowing down. We pray, dear God, that the improvement of our economy will afford the necessities of life for these returning heroes. We pray that the very existence of our VFW Post will continue to be your arms and legs in this community to care for those in need. Continue to be with those who are defending our country, be with those who make decisions for our daily lives, and may all we do be pleasing to you. In the Lord’s name we pray. Amen”
